Sunday Night	Variable winds 5 kt or less. Mostly cloudy. Seas 1 ft or less.
Monday	E wind 5 to 8 kt becoming SE in the afternoon. A chance of showers. Seas 1 ft or less.

Notices:

- This forecast is for a single location. For safety concerns, mariners should be aware of the weather over a larger area. Forecast information for a larger area can be found within the [zone forecast](#) and the [NDFD graphics](#).
- The forecast conditions at a particular point may not exceed the criteria of a Small Craft Advisory, Gale, Storm etc. These watches/warnings/advisories are issued for the entire zone in which the point resides and mariners should act accordingly.
